

## **Funkidz! – St Luke’s Church Centre, City Way, Rochester ME1**

There has been no room for boredom at our newly open setting, Funkidz! Club – St Luke’s Church Centre, City Way, Rochester ME1. It is filled with fun packed activities for different ages and abilities.

In line with the Early Years Foundation Stage (EYFS), due regard is given to each child within the setting, in particular the 3-5year olds. All the children are able to participate at their own pace or chose activities of interest.

The children show their uniqueness in their individual approach to play; positive relationships are developed from a base of loving and secure relationships with parents and/or a key person; they display learning and development in different ways as they support each other whilst encouraged by adults who provide a stimulating and enabling environment to further extend the children’s learning and development.
