Summer 2016

HOLIDAY PROGRAMME

Please note, each week we will include craft, cooking, sports, science and more within the theme. This programme has been drawn up from suggestions given by children in our care.

CONTACT US

Monday 1st - 5th August - Get prepared!

A week before Rio and we begin to satisfy our curiosity about the Olympics! We'll be creating costumes from different parts of the world and planning our version of the opening ceremony. Performing arts, creative arts & craft will kick us off! Look out for pottery, mod rock, card craft, circus skills, music & dance etc

Rio Olympics 2016! Time to explore

Monday 8th - 12th August Sports Genius!

Olympic is underway, yay! We get to learn and try out both old and new sports. Come kitted as we use indoors, the green and the local field to sample rugby, volleyball, roller skating, archery, tennis, football, badminton, dancing and more.

Monday 15th - 19th August Bake/Cook Off!

Surely not even Olympians can do without food! So the race is on with the best cook and baker this week. Whoop! Whoop! Look out for international dishes – European, Continental, Asian, African etc. Nominate parents/carer on their favourite dish or pastry. Test our Funkidz Lemonade, shortbread biscuits, vegetable kebabs and sandwich making skills. Please come with new recipes to try out.

FOR A FUN TIME!

Monday 22nd – 26th August Cool Sciences!

This last week, we get to ask more and do more science experiments and explorations. What's the science behind the Olympic? Do they need physiotherapists, doctors, dentists, nurses, dieticians, laboratory technicians, vets? Well, spot the odd one on that list ☺. With parents' support we may have a visit from one or two special visitors.

We are taking bookings now don't delay!

FUNKIDZ FUNDAY
MONDAY 29TH AUGUST
12.30PM – 3PM

Come help support a charity, Medway Autism Group Information Centre (MAGIC) in our Olympic themed funday. There will be a Funkidz version of the Olympic opening ceremony, come dressed in your favourite Olympic sports wear or country represented, enjoy the stalls available and don't forget to take part in the various challenges set.

We are supporting this charity to raise awareness as children with Autism/Asperger in our care need to be understood better.

If you wish to donate toward the raffle, gifts for games and indeed to set up your own stall in support of this worthy cause, please contact us asap. Thanks

Back to school : September 5th
