Fresh from our Christmas break and full of enthusiasm and energy! We'll be making and designing t-shirts, hair styles, old pumps..Come with old tees, pumps, beads etc. Have fun!

Week 2 Mon 11th Jan –Fri 15th Seasons!

As we move from autumn into winter, we celebrate the passing seasons and acquaint ourselves with the changes that come with it. For example, changes in animals, our environment, clothing, food eaten and activities undertaken.

Week 3 Mon 18th Jan –Fri 22nd About Professions!

Let's find out about the different professions, jobs and occupations in the home and community. As we explore this, we'll learn to appreciate the people in our lives that work to help us grow and learn. Come on board parents and educate us pretty please ☺

Week 4 Mon 25th Jan –Fri 29th Hilarious humour!

Do you know humour reduces stress and tension? Sometimes a little humour is all we need to get a spark into our day. So come on, let's get side splitting and rib cracking! We welcome jokes, drama sketches, funny poems, made up sports etc

Week 5 Mon 2nd Feb -Fri 5th Chinese New Year!

Next Monday is Chinese New Year but we start early! Make Chinese dragons, enjoy face painting, try noodles and crackers and don't forget to learn some Chinese words to share.

Week 6 Mon 8th Feb – Thurs 11th Feel the Love

This week is all about expressing love and kindness just like St Valentine of Rome. Do you know his name, Valentinus means worthy, strong or powerful?
